

CRICKLADE BLOOMERS

A very Happy New Year to all Cricklade residents, and we hope that all your blooming efforts in 2010 will be plentiful and colourful.

Trees

Cricklade Bloomers have planted trees around Cricklade each winter for the last four years, sadly last year some were vandalised; we replaced some of these trees within days of them being snapped off. Funds raised at our November Race Night will be used to replace the remaining trees at the eastern entrance, and buy new trees to plant at other locations in the Town.

Saturday Working Parties in January

Saturday 9th January. 9.30 meet at the Bank Garden.

A gentle walk around the Town to deadhead all the flowering planters.

Tree Planting Saturday 16th January. 9.30 meet at the Bank Garden. Hot refreshments provided.

If you are feeling a bit lethargic after Christmas then come and join in the planting, all sorts of jobs from digging the planting hole to fastening the tree tie and mulching around the trees.

Saturday 23rd & 30th January 9.30 meet at the Bank Garden

Sowing the first seeds to grow on in the Polly Tunnel.

The Bank Garden

If you want to see what we are doing, or just to have a nosy around, please call in – you will find us by walking through the archway down past the Council Offices and then turning left into the garden.

For more information about Cricklade Bloomers please call Anita Barratt 017930751403 or Bob Jones 017930750773
